❖ M P Cup Football Tournament

It is a parliamentary constituency basis football tournament. In the Diamond Harbour constituency 128 teams participated in the tournament from 71 Gram Panchayats and 4

Municipal areas. Final of the tournament took place in Maehshtala Municipality area at Bata Football Stadium on 23rd December 2018.

❖ Introduction of Plastic Waste Management Rules 2016

Plastic menace is the deadliest menace in the world. Daily 30 crore ton of plastic products is generated and such waste shall take 10 lakh years for absorption. Under the feet there will be no earth! There will be only plastic.

The plastic carry bags below 50 micron are not recyclable and those are littered here and there causing chockage of drainage system. Areas remain inundated for months together.

Now in order to strictly restrict use of carry bags we have taken up as IEC activities through anti plastic use dance drama and street corner drama at various location of the town. We have taken up a programme for distributing cloth bags free of cost to the citizens in different places as a substitute to plastic carry bags.

We expect that very soon we will be able to make our town plastic free. We need cooperation from the citizens of Maheshtala.

The fellow citizens may go through the monthly E-newsletter and pass on their comments for our guidance and better service to the citizen.
