### E-NEWSLETTER OF MAHESHTALA MUNICIPALITY FOR THE MONTH OF OCTOBER, 2018

#### Activities during the month of September 2018

#### 1. Activities under Deendayal Antyodaya Yojana-National Urban Livelihoods Mission: WBSULM (West Bengal State Urban Livelihood Mission):

To improve economical condition of the country it is important to execute sustainable livelihood programmes in the rural as well as urban area for the financially marginalized community. To ensure that, National Urban Livelihood Mission is being implemented by the government towards augmentation of quality of life. It has several components, like formation and strengthening of self help groups, providing financial literacy and supporting in different entrepreneurial activities, implementing skill trainings etc. The achievements that are obtained in the month of September 2018 are detailed below.

- ❖ 9 SHGs received Cash Credit loans amounting rupees 12.75. Internal grading for Cash Credit loans of SHGs were successfully conducted for 13 Self Help Groups. Proposal to sanction loans has been forwarded to the bank branches concerned.
- ❖ 8 SHGs received revolving fund of rupees ten thousand each as seed money after completion of 3 months period of activities and maintaining *Pancha Sutras*. This fund was allotted after checking their books of accounts. This financial assistance helps them increase lending within the group and also support their micro businesses.
- ❖ Second installment of interest subvention was released in this month. Three borrowers under Self Employment Programme – Individual (SEP-I) received Rs. 7844/- as interest subvention. Thirty one SHGs who received Cash Credit loans and repaying regularly also received interest subvention amounting Rs. 31938/-.
- ❖ Construction process of night Shelter for Urban Homelss is going on in full swing. Around 70% civil work has been completed. By end of the year the night shelter is expected to be operational.

## 2. Activities under National Urban Health Mission (NUHM)

### ❖ Special Outreach Health Camps

Through 45 special health outreach camps around 1900 people received medical advice and free medicines through the camps. Details of the camps given below.
